CONDITIONS OF HIRE

General

Please note that activities on the premises should be in keeping with the Objects of the Association as described in section 4 of the Constitution and The Association reserves the right to refuse any booking.

Salford Community Association wishes to organise and encourage activities at Salford Hall in such a manner as to safeguard the Health, Safety and Welfare of its users and it is incumbent on all users not to conduct themselves or perform activities which could cause injury or harm to themselves or other users of the premises. Copies of the Conditions of Hire, the Association's Health and Safety Policy and the Fire Strategy Policy are available on our website or may be obtained from the office.

1. Booking

A booking is not confirmed until the booking form has been completed satisfactorily and returned to the booking administrators. A deposit of 20% of the hire charge in respect of bookings in excess of £500 should accompany the form but the Association reserves the right to ask for the full hire charge to be paid in advance. All deposits must be paid immediately on confirmation of booking. If a booking is subsequently cancelled the deposit shall be forfeited unless the accommodation is re-let in which case a handling charge will be made. Please see the reverse of the booking form for the scale of charges.

2. Timing of Booking

Hall bookings cannot be accepted before 09.00 hours and private bookings may not extend beyond 00.30 hours

3. Licence requirements

The Hall Premises Licence expires at midnight. Hirers must hold the appropriate licence for musical performances and the playing of recorded music. See below re Alcohol licence.

4. Appointment of a responsible person

It is a statutory requirement of the Premises Licence that a responsible person, at least 21 years of age, shall be in charge of, and present on the premises at all times when members of the public are present. This person must ensure that the Conditions of the Licences are observed and their name must be recorded on the completed booking form at the time of application. Copies of the Hall Safety & Fire Regulations based upon licence requirements are available from the Booking Administrators and on our website. The Responsible Person must familiarise him/herself with emergency requirements and procedures. In addition, there must be a sufficient number of competent adult attendants on duty for the purpose of securing safety.

5. Alcohol

The sale of alcohol is only permitted on the premises via the bar – see below. **Hirers are not permitted to apply for a Temporary Event Notification (TEN) in order to sell alcohol themselves.**

6. Bar

The Main Hall foyer has a fully functioning bar which will be operated by the SCA for all hirings requiring the sale of alcohol. The hirer will be required to give the SCA approx. numbers attending 7 days before the event and any special requests that they will try and accommodate.

7. Hearing Loop Systems

The Main Hall and the Avon Room have hearing loop systems installed. These are both operated using wireless hand held and/or lapel microphones. There is no charge for this and we would encourage all hirers of these rooms to make use of the hearing loop equipment to make their meeting more accessible to all. If you wish to use this equipment please give notice to the Booking Office in advance to obtain the necessary key and instructions.

8. Sound System

A professional sound system is installed in the Main Hall complete with an extensive sound desk. Multicore cabling and a stage box provide the facility for equipment to be connected to the system on the stage. The availability and charges for this can be obtained from the Booking Office.

9. Stage Lighting

If full stage lighting and switchboard is required there is an additional charge. This equipment cannot be hired unless under the strict supervision of an approved electrician whose name must be notified to the Booking Administrators on completion of the booking form.

The invoice will take into account advance payments, charges for the use of the full drama switchboard & lighting, the PA system, kitchen, glasses and any extra charges accrued. Payment should preferably be made by BACs to avoid cheque processing charges. Any cheques should be made payable to Saltford Community Association. Payment by cash may only be made at the Booking Office during opening hours (weekday mornings) and a receipt obtained.

13. Extra Charges

A penalty charge may be levied for any excess cleaning following a booking. Similarly, if any damage is caused to the premises or equipment the cost of remedy or repair will be charged to the hirer.

14. Room set up

If you intend to set up tables and chairs you will be given 20 minutes either side of your booking for your setting up and clearing down. You are also responsible for putting any chairs and tables back in their correct storing places so that the room is left clear and clean for the following hirer (please use cleaning equipment provided). You are expected to treat the furniture with respect during setting up and clearing down. **Failure to comply could result in cancellations of further bookings or additional charges.**

15. Clearing up time

Hirers must vacate the premises at the end time stated on their booking form plus the allowed 20 minutes clearing up time.

16. Door Entry System

Access to the Main Hall and Wansdyke Room is controlled by a keypad. Hirers will require a 4 digit code for entry which will be notified by the Booking Office. The code will only allow access to the building for your booked time and up to half an hour either side of it.

17. Security

It is a Condition of Hire that all users ensure that the following procedures are adhered to:-

1. All external doors and windows must be closed before leaving the building.
2. All lights must be turned off (except fire exit lights).
3. Any appliances used must be properly turned off or disconnected as appropriate.

IF YOU ARE THE LAST ONE LEAVING THE BUILDING, THE LATCH ON THE FRONT DOOR MUST BE RELEASED SO THAT THE LOCK ENGAGES LEAVING THE DOOR SECURE.

18. Kitchens

Hirers of the Main Hall or the Avon Room may hire the main kitchen for an additional fee (please see scale of charges on reverse of Booking Form). The main kitchen is not available to hirers of the Somerset or Kelston Rooms but there is a small sink unit with a water heater available for tea and coffee making. The Wansdyke Room has its own kitchen. All bottles, cans and other recyclable waste must be removed by the hirer. Other waste must be put in black plastic sacks and placed in the skip outside the building. Crockery and cutlery is available for hire – please contact the Office for further details.

HIRERS ARE REQUIRED TO OBSERVE FOOD PREPARATION AND HYGIENE REGULATIONS.

19. Disabled Access

The Main Hall and Avon Room have access for the disabled including disabled toilet facilities. There is a lift to the Kelston & Somerset Rooms. A Piano is available in the Main Hall and in the Avon Room (but not at the same time). There is also a piano in the Wansdyke Room. There is no charge for their use.

21. Tables

Tables of various sizes are available in all rooms and the Booking Office should be contacted prior to the booking to discuss requirements. Hirers are responsible for clearing tables after use and filled refuse bags must be placed in the skip outside the building to reduce the risk of vermin.

22. Car Parking

Car parking is available in front of the Hall. In addition there are 65 spaces in the free public car parks behind and adjacent to the tennis courts on Wedmore Road. Hirers and their patrons are requested to use these areas, to avoid on-street parking **and not to park on the green area to the front of the hall**. Please observe the disabled parking spaces and try to minimise any disturbance to the local residents.

If you expect your event to be well attended by vehicle users you **must** supply an attendant to the front of the hall in a high visibility jacket to ensure hall users do not park on the green.

23. Commercial Use of the Hall

Approved commercial users will be charged at double the rates displayed in the scale of charges although priority is given to activities that serve the local community.

24. Review of charges

The Saltford Community Association reserves the right to increase hire charges at any time without notice. It is normally possible to warn hirers in advance. Usually, an increase in charges becomes effective from the beginning of September and hirers booking well in advance of that date would be strongly advised to enquire as to any increases. The final charge is calculated on the rate at the time of the event and not the date of booking.

25. Hall Availability

Salford Hall is available for hire seven days a week and most bank holidays. Events taking place on New Year's Eve and bank holidays are charged at weekend rates.

26. Security and safety

Hall management make every effort to operate the premises in a safe and secure manner but hirers are reminded that they are responsible for these aspects of their own activities and equipment. Accidents and incidents should be recorded in the Hall Log Book (kept in the foyer of the Main Hall) and reported to the Hall Manager or Booking Administrators. Additionally, any defective or damaged equipment must also be reported in the Hall Log Book. A First Aid Kit is located in the kitchen in the main building and also in the kitchen in the Wansdyke Room. Further supplies are available from the booking office during weekday mornings only.

Candles must not be used anywhere on the premises. Tea lights may be used in approved holders but must not be used on the stage.

The Salford Community Association Health and Safety Policy is available on our website, www.salfordhall.co.uk . A copy is also available for reference in the Booking Office or by email upon request. All users are required to observe the guidance in the policy.

It is the responsibility of Hirers to ensure that any equipment brought in to the Hall by hirers or their participants (for use during the booking) is safe and PAT tested if necessary.

28. Emergency Lighting

In the event of a power failure emergency lighting will operate. The Hall **must be cleared within 30 minutes** of the power failure if the failure persists.

29. Insurance

The Salford Community Association insurance covers all liability for its own actions and omissions and Public Liability. All users are required to take out any necessary insurance indemnifying their members in their own activities.

30. Disco Operators

Hirers engaging the services of a disco operator are requested to remind them of the need to notify the fire authorities if smoke is to be used.

SALTFORD HALL IS SITUATED IN A RESIDENTIAL AREA AND ALL USERS ARE REQUESTED TO ENSURE GOOD BEHAVIOUR AND QUIETNESS WHEN LEAVING THE PREMISES, ESPECIALLY LATE AT NIGHT.
