### The Great Escaper

In the summer of 2014, a World War II veteran sneaks out of his care home to attend the 70th anniversary commemoration of the D-Day landings in Normandy. "Michael Caine and the late Glenda Jackson bring their A games to this true-life heartwarmer ... their ineffable class give this film some real grit: it's a wonderful last hurrah for Jackson and there is something moving and even awe-inspiring in seeing these two British icons together" (Peter Bradshaw, The Guardian).
