## Association News

By the time you read this contribution, the Annual General Meeting will have taken place. The standard practice each year is for all the officers to stand down, but they may be re-elected. They almost always have been but, this year, four have indicated that they would not offer for a further term. By now the outcome of this potential crisis will be known and it is hoped the future of the Association, and therefore the Hall, will be secured. It is now fifty years since the Association was in the process of being formed and the Hall being built, all by voluntary labour. The volunteer principle has continued for all that time. Whatever was decided at the AGM, it is to be hoped that Saltford folk will continue to value Saltford Hall and be prepared to get involved in maintaining the high standards that have always been strived for.

**Saltford Hall** has a **Visitors' Book** that records some of the famous personalities who have visited and performed there. To younger residents, some names wouldn't mean much – who remembers Freddy Grisewood who made a live radio broadcast of "Any Questions" in 1961? David Jacobs chaired another broadcast of the same programme in May 1969. David Dimpleby, who now chairs TV's "Question Time", presented "It's my Opinion", a television programme in August 1962.

In September 1966 Fanny and Johnny Cradock gave a "Cookery Show" and Fanny signed the Visitors' Book with a flourish! Arthur Negus gave a talk on antiques in May 1969.

Music obviously played a prominent role in the entertainment offered at Saltford Hall. The popular pianist Semprini appeared on a number of oc-

casions. Another "Musical Evening" brought Owen Brannigan and Ernest Lush to Saltford in 1968. The singer Cy Grant paid visits in 1969 and 1977 and, in each show, Jane Lilley shared the programme. The Jane Lilley Singers joined in a charity evening with Lesley Crowther in 1992. Leslie enjoyed performing at Saltford. He wrote, "It's good to be playing at home". Richard Baker presented an evening of poetry, prose and song entitled "Entre Nous" in January 1971. Among his guests was Princess Zouina Benhalla, a singer.

"Opera for All", promoted by the Arts Council, gave audiences "The Italian Girl in Algiers" (1970), "The Merry Wives of Windsor" (1972), and "The Barber of Seville" (1979). In "Ballet for All", dancers from the Royal Ballet performed "Ashton and La Fille Mal Gardee". Richard Stilgoe was here in 1975 and noted in the Visitors' Book, "It's a great change to be in Saltford without having to sit in a rowing eight".

Among other well-known artistes were David Kossof with "A Funny Kind of Evening" (1974) Humphrey Lyttleton (1980), Ian Wallace (1981) and Fred Wedlock (alas, no date).

While it's impossible to name all the celebrities who have honoured our village with their presence it has to be said that it's a very impressive list.

cooked lunch. (It brings in the members!)

The club was started in December 1988, when the then Community Association Chairman heard of a scheme run by the local Wansdyke District Authority. They would deliver sporting equipment of various kinds to the venue for the locals to try out. The Chairman felt that Short Mat bowling would fit well into our hall, invited local people to a meeting to discuss the possibility. Subsequently, the sports van brought the necessary, and, "Hey Presto!!", we haven't looked back.

The S.C.A. Chairman at that time was a guy (we even use modern terms) called Ron Anderton. We are indebted to him. He knew nothing about bowling of any sort. After a number of years playing table tennis, he has now expressed an interest, very recently came along to try it out, and has now joined.

Some of the founder members are still playing and come along regularly for their roll up, cup of tea and a chat. At the end of the first year, Doreen Gale made a celebratory cake, suitably decorated, and again at the end of ten years. We all enjoyed a piece of the one she made for the twentieth anniversary. The players who come to Saltford's tournaments are familiar with Doreen's cooking prowess.....she's the one who makes the delicious pastry.

### **St. Mary's Churchyard - Wildlife Area**

We are planning to turn much of the lower churchyard that is beyond the beech hedge into a wildlife area to encourage more butterflies and birds. Clearly we will still need to keep the grass short in places, for example, close to the churchyard walls where cremated remains are interred and on the paths. Otherwise we are letting the grass grow to see what wild flowers appear. After we cut the grass this autumn, we plan to plant wild flower plug plants. Where we are letting the grass grow, we will only cut it once this year.

Next year, we are advised by Avon Wildlife Trust to cut every six weeks or so. Apparently that helps the plants establish, but in future years the grass will only be cut twice a year. When the grass is cut, it will be removed.

The remainder of the churchyard will be maintained as it is now. Obviously any families with graves in the area beyond the beech hedge can keep the grass short on their own graves should they wish to. It is actually the

families' responsibility to do that. Our responsibility (now undertaken by the Parish Council) is to maintain the paths.

If anyone has a query, please be in touch with me.

### **Keep it local, Keep it Keynsham**

A new campaign has been launched to highlight the wealth of facilities, organisations, activities and businesses which thrive in Keynsham and the surrounding area.

As well as Keynsham monthly Farmers' Market, the town and the local villages have a growing number of independent retailers for day-to-day needs and lots of societies and groups, sports clubs and arts activities.

The campaign is part of wider efforts by Bath and North East Somerset Council and its partners to make the places where we live more sustainable. As we become increasingly conscious about where our food comes from, global warming and staying fit and healthy, campaigns to

promote local facilities can really make a difference. Using your local town centre instead of driving to an out-of-town store can save you money on fuel, reduce your carbon footprint and improve your own health.

A new website, Keep it Keynsham, will be launched on the 14<sup>th</sup> March, providing up-to-date information on local events, clubs and societies and lots more. So why not click on to [www.keynsham.co.uk](http://www.keynsham.co.uk) and join the campaign - Keep it local, Keep it Keynsham.

## **PACT**

### **Update from your Police Neighbourhood Beat Team .....**

In the past 3 months, complaints from the residents of Saltford have risen by over 300% regarding the groups of 50-60 youths gathering in Saltford on an evening and their behaviour. The number of offences of criminal damage have doubled in this time period as well. The Police have started using powers granted under the Crime and Disorder Act to obtain the names and address of the

youths so that steps can be taken to prevent this continuing. In the first place a letter will be sent to the parents informing them that the child was within a group and their behaviour will be described. This is in the hope that parents exercise their responsibilities and ensure that their child is not continuing to behave in this manner.

At the Partners and Communities Together meeting held at the Community Hall on the evening of the 10<sup>th</sup> March, this was voted as one of the two priorities to be tackled.

The Police will be hosting a Street Dance session for the youth at the Community Hall on the 30<sup>th</sup> March which will hopefully be the start of an alternative venue for the youth to attend. But you may be aware that Saltford has many organisations for the youth of the village: scouts, guides, church groups and sports clubs for soccer, tennis, golf and sailing. It may be that your child is not interested in any of these, but would still appreciate a place to gather, such as a youth club or to pursue some other activity. There are suitable facilities within the village but this will require some organisation. Would you be prepared lead or assist in organising and running such a club? Bath & N E Somerset Youth section can offer professional assistance to set up the club and the Parish Council would consider helping with set up costs. If you are interested, please contact me, PC 3272 Ian Harris or PCSO Sarah Hewlett on 0845 4567000 and ask for the Keynsham Neighbourhood Policing Team: [lan.harris@avonandsomerset.police.uk](mailto:lan.harris@avonandsomerset.police.uk) or via the beat page for Salt-

ford on the Avon and Somerset constabulary website.

**The dates of the next P.A.C.T meetings will be 22/6/09 and 28/09/09.**

**Updates from the previous meeting include ;**

\*A4 speed camera -will be replaced, hopefully in this financial year. Once the speed camera has been replaced, P.C Harris will lobby B&NES for flashing speed signs on the A4 entrance and exit of Saltford.

\*Anti social behaviour in Wedmore Road—the area under the youth shelter has now been tarmaced. P.C Harris reported that regular patrols had been carried out by both himself and P.C.S.O Hewlett, and that , in his opinion, the majority of the youths were behaving appropriately in that area.

**New Priorities raised-**

\*Anti Social Behaviour across Claverton Road West, Bath Road, and Beech Road ( including surrounding areas).

\*Enforcement and Youth Activities.

\*Graffiti around Saltford Hall

**Saltford Parish Plan**

A questionnaire is now being prepared and will be distributed in the summer for everyone to provide their opinions and priorities as to what they think is best for the village. The Parish Plan, based on the responses to the consultations and questionnaires, will then be published.

Villages like ours are always changing as the people and the community change and local and national government policies cause change to happen. We have much more opportunity to say what we want in our Saltford community, now and in the future, and by engaging with local government, **we can make it happen.** Whether it be transport, children and young people, housing and the green belt, or other concerns, our Parish Plan will lay out what you, as a resident of Saltford, realistically want to see happen in our village over the next ten years **to make it a better community.**

The questionnaire will be a genuine opportunity for you to voice your opinion on matters of importance to you, have them heard by local government and service providers, and most importantly, **influence funding and actions.** The greater the response we get, the greater will be our chances of succeeding in **achieving real improvements.** Taking a small amount of your time to submit your views on our community **will make a difference.**

More information in the next issue of SCAN but if you would like more information, please contact the chair of the Steering Group, Roger Cooper [rogernc@btopenworld.com](mailto:rogernc@btopenworld.com) 01225 872402

Bath & North East Somerset Council is changing your waste collection day. From 8<sup>th</sup> June Bath & North East Somerset Council will be changing the rubbish, recycling, cardboard and garden waste collections so that they will all be collected on the same day. The fortnightly cardboard and garden waste collections will continue to run on alternate weeks. This is in response to customer requests to help make our services easier to use. At present people may have their waste collected on up to three different days so this new arrangement should make things much simpler and easier for everyone and help to increase local recycling rates.

Bath & North East Somerset Council will be publicising the changes through Council News, our website and press releases, leaflets, posters, adverts and roadshows. From May you will be able to find out your collection day by visiting our website and 2 weeks before the changes we will post a letter to every resident with details of your new collection day.

If you want to find out more about the changes you can do so by visiting the Council's website [www.bathnes.gov.uk/wastedaychange](http://www.bathnes.gov.uk/wastedaychange) or by contacting Council Connect ([councilconnect@bathnes.gov.uk](mailto:councilconnect@bathnes.gov.uk) 01225 39 40 41).

### **SAVE MONEY AND STAY WARM**

**The Centre for Sustainable Energy** is working in partnership with **Bath and North East Somerset Council** to promote energy savings, grants and discounts. The newly launched **Warm Streets** programme is just one of a number of schemes available to help residents to heat their homes for less. **Warm Streets** offers free cavity wall (and in many cases loft) insulation to homeowners and private tenants over the age of 70 or in receipt of a qualifying benefit. Benefits include Disability Living Allowance and Attendance Allowance.

Householders over 60 and families with children under 16 with a low income and low savings may also be entitled to free measures through a council grant. And for those households that don't qualify for free installation, considerable discounts can still apply. Other grants and discounts, such as Warm Front, Warm Front 300 and the Magic Boiler Scheme, are also available to help fund the installation of heating or repairs to existing systems.

If you would like further information on any of the above, or other energy-related matters, please contact the South West Energy Saving Trust advice centre on **0800 512 012**. Their team of advisors can help you access a range of local and national energy efficiency grants and discounts as well as offering free, impartial advice on how to reduce your fuel bills through low cost and no cost measures.

# Saltford Parish Council News

## Annual Parish Meeting

The 2009 Parish Meeting will be held on **Tuesday 7<sup>th</sup> April at 6:30pm** in the Avon Room, Saltford Hall. All electors of Saltford are invited to take part. A Parish Meeting must by law be held every year and may discuss any Parish matters and pass resolutions on them. Reports have been requested from local organisations, the Parish Council Chair and the Planning Committee Chair will give reports on the year's activities, and members of the public will have an opportunity to discuss anything they wish relating to the Parish of Saltford.

## Village Walk

The annual village walk, organised by the Parish Council and led by Bath & North East Somerset Council's Countryside Management Officer, takes place this year on **Wednesday 24<sup>th</sup> June starting at 7:00pm**. All are welcome for this interesting and informative walk around the footpaths around Saltford – but children must be accompanied by an adult. The starting point will be advertised on our noticeboard and website nearer the time.

## Noticeboards

Look out for our new and improved noticeboards outside the Post Office – one giving Parish Council News and the other giving Village News. If you have any items or pictures to go on the Village News board, please send them to the Parish Clerk.

## Open invitation to meetings

Do you ever wonder just what the Parish Council gets up to? Why not come along to one of our meetings – you can come for all or just part of the meeting. If you would like to speak you need to be there at the beginning when members of the public are given up to 3 minutes to have their say. Do come along – meetings are on the first Tuesday of every month except August, at 7:15pm at Saltford Hall.

## Garden waste

A reminder that bonfires bring with them certain problems: it is an offence to create smoke which becomes a nuisance to neighbours and those living nearby. Ideally, you should **compost or recycle your garden waste**. For information on home composting, garden waste collections and local recycling centres, contact Bath & North East Somerset Waste Services – tel: 01225 394041, email: [councilconnect@bathnes.gov.uk](mailto:councilconnect@bathnes.gov.uk), or look at their website [www.bathnes.gov.uk](http://www.bathnes.gov.uk).

## Affiliated Organisation News

**The Rotary Club of Keynsham Chew Valley** would like to thank everyone who supported their evening of folk/jazz and comedy, with Three Piece Suite and Fred Wedlock, recently held at Saltford Community Hall. The evening was a great success and raised just over £1,000 and the Club hopes to provide a defibrillator in Saltford later this year.

### **Saltford Townswomen's Guild**

Although January was gloomy and cold, many members braved the elements to hear Mr. Brian Davies tell the story of the making of "Yesterday's Island". The island in the tale was in Bristol, in the St. Philips Marsh area, a close knit community with its own characters. He told of the co-ordination and planning of the show featuring many of the original characters and showing the community spirit that existed there. It was so successful that it had two 'runs' and the audience included many former residents who had emigrated to other countries.

February and another very cold morning but still the Wansdyke Room was full as members met to discuss Federation and Guild matters. After these affairs were thoroughly aired, all settled to listen to Mrs. Cynthia Palser talk about Tyntesfield House. Not the usual "National Trust" view but a very personal tale of the years she had spent there growing up. She described the life of the family living in the house and how she had lived with her parents in an apartment above the carriage houses, which still housed some carriages. At times she had the privilege of watching some of the grand

occasions which took place in the house. She also brought with her some of the mementos of those days which were passed around the audience. A very interesting morning.

### **Saltford Evening Women's Institute**

The February meeting of Saltford Evening W.I. was most interesting. Firstly Mr Peter Dando – chairman of Saltford Community Association gave a talk outlining the many and varied activities that take place at the Community Hall and its great value to the community. More help in running this vibrant association would be very much appreciated. Following this, the President read the minutes of the last meeting and welcomed 4 members from Corston W.I. who have now joined us.

The speaker, Liz Cumming was excellent with her tales of being a member of the household staff at Buckingham Palace. The details of how this vast army of servants were trained and organised their duties, which were described, with humour, really interested the members.

The March meeting was very ably chaired by Sue Cooper. She welcomed 4 visitors and thanked Ann Mollard for hosting a Coffee Morning which made £106 profit for funds. The speaker, Barbara Gilmour, talked on 'Rationed Fashion' and the gradual development of styles to reflect the uniform worn by so many and the need to use less material.

### Keynsham & Saltford Wine Circle

At our AGM in February, the existing  
Committee was re-elected with one  
exception –Derrick Armitage had de-  
cided to stand down. The Chairman  
thanked him for all his hard work and  
his contribution to the running of the  
Circle. Jim Haynes was elected to

the Committee as a replacement. The  
new Committee is:

President: Percy Mellor  
Chairman: Peter Church  
Vice Chairman and Secretary :  
Alan Dummott

Treasurer: Angie Dummott  
Members: Jim Haynes, Tessa  
Lesser, Jean Mellor, Pat Woodman

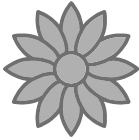

The evening was rounded off with a  
very tasty American supper.

In March, after renewing membership,  
our programme for the year began with  
a commercial wine tasting presented by  
Benji from Wine Rack of Chelsea Road,  
Bath. He gave us six wines, (two dry  
white, three red and a sweet white to  
finish), from their current selection.

March is also the month in which Tims-  
bury Wine Circle held their Ron Ward  
Trophy inter-circle Competition and  
Dance. We competed, of course, and  
managed to achieve third place. The  
four wines judged were dry white, dry  
red, rose and sweet white, which were  
provided for us by Percy Mellor. The  
live music was from "Tobacco Road",  
who certainly made the evening go with  
a swing.

The programme continues in April with a  
talk from Mike Rowland, followed by the  
Members Recipe in May. However, be-  
fore the May meeting we will have spent  
a Bank Holiday weekend in North  
Wales.

We would be pleased to welcome new  
members with an interest in wine and a  
sociable atmosphere. If you would like  
more information, please contact Alan  
Dummott: Telephone: 01225 873493.
