AFFILIATED ORGANISATIONS

KEYNSHAM AND SALTORD PROBUS CLUB

Now that he is the Probus vice-president Chris Primrose has, among other tasks, to compile a list of speakers of interest for next year's monthly meetings.

Members come from a wide range of backgrounds and expect as great a variety of subjects for their after-lunch enjoyment. But four of the meetings will include members' ladies so talks must interest them too. Organisers in other social clubs will understand well how much is involved to get a balanced programme.

As a Saltford resident Chris is taking a new course to find people who know what they're talking about - in Saltford itself. He's sure the village has enough interesting people with interesting experiences to provide many speakers.

"I'd like Saltford to have greater influence in the club so I'm casting about in Saltford," he said.

He hopes to pick up ideas from the friendly members of SCA of the many village organisations associated with it - perhaps even from someone reading this. If you would like the Probus members - retired professional and business men - to hear more Saltford voices please contact Chris Primrose at 01225 400 202.

On 6 July a group of Probus members, led by Edmund Prideaux explored Tetbury and Chavenage. The highlight of the day was Chavenage House, a much-filmed Elizabethan-era mansion reputedly haunted by one Colonel Nathaniel Stevens who was cursed by his daughter for supporting Cromwell in the Civil War. He didn't show himself to beg a lift on the coach for the return journey.

Why not boost Saltford's representation in the club? If you're a retired professional or business man contact membership secretary Owen Cole, tel 0117 986 4312.

SALTORD AFTERNOON WI

In June we had an entertaining talk from Chris Wilde, a manager at Hillier's Garden Centre about his 'Chelsea Experience'. He explained, with the aid of slides, how much planning and organisation was involved in setting up a display at the Chelsea Flower Show. We saw pictures of the site at all stages until completion and once again Hillier's won a gold medal award. So much hard work goes into the week at Chelsea Flower Show but all the team agree it is worth it.

In July we had two speakers. The first was Lindsey Dowdell who talked about Living with Alzheimer's and Dementia. This was an interactive session and we discovered the problems and positive aspects associated with experiencing or supporting someone with this disease. We were encouraged to befriend someone with dementia as loneliness and isolation are common problems. After tea and biscuits we were entertained with a talk from Chris Westgate whose produce, Heavenly Hedgerows, is sold in many local Farm shops. Chris forages for her ingredients in the fields and hedgerows over a number of local farms (with their permission) and her jams and jellies are different and delicious. She showed us slides of many of the plants growing wild in the Saltford and Keynsham area which we can be foraged, providing we stick to some basic safety rules and keep within the law.

Saltford Afternoon hosted the inaugural meeting of the WI's Avonwood Group on the evening of the 21st June. The main hall was the excellent venue and we were entertained by the Bleadon Belles, National winners of the WI Choir competition, and Jane Tapley from the Theatre Royal, Bath. Jane gave us an illustrated talk about the history of the theatre. During the interval there was a buffet prepared by the SAWI committee.

KEYNSHAM & DISTRICT LIONS CLUB

You will notice a slight change in the heading of this article. The club is not wholly composed of members from the immediate Keynsham area, but also from Hanham, Kingswood and of course Saltford. We also undertake activities, collect monies and support projects in those areas. Therefore, it was felt pertinent to show this in the title - possibly making the club profile more acceptable in areas outside Keynsham.

In conjunction with Andrews Estate Agents, the club undertook their 20th Annual Duck Race in Keynsham Memorial Park during the Keynsham Music Festival. This raised a surplus of £1200 - half of which Andrews have put towards their project of a Safe Refuge for people coming out of care in Bristol. The other half will be used by the Lions to provide services for the needy in the area.

During July and August a number of families in the Greater Bristol area will be hosting a group of children from Chernobyl. As a club we are providing some new clothing for the children and a BBQ for the children and their host families on 5th August.

As an ongoing project, the club arranges for the collection of used spectacles which are recycled centrally for use in third world countries

KEYNSHAM & SALTFORD HISTORY SOC.

The Society's summer programme of visits and walks continues. In June, members enjoyed a

coach trip to Kingston Lacy House in Dorset, a 17th century property near Wimborne, built by the flamboyant Bankes family in an Italianate style, and home to their large collection of paintings and other treasures from across Europe and Egypt. The visit included an excellent guided tour which gave some insight into the history of the family and their collecting; we also explored the gardens and grounds before travelling home with a stop in Shaftesbury for afternoon tea and a view, or a climb, of the famous Gold Hill.

Our most recent day out was a local one, discovering more recent history. We first visited the underground Royal Observer Corps bunker on Mendip where, throughout the Cold War, volunteers were ready to monitor the location and severity of a nuclear attack. It was one of hundreds of such stations (there was another at Burnett) although very few are preserved and accessible. After lunch we moved to Blackdown, for a guided tour of the remnants of the World War 2 Starfish Decoy site, intended to lure German bombers away from Bristol. We saw the site of the lights and fires intended to replicate Temple Meads, although whether these efforts succeeded in fooling the bomber pilots seems doubtful – it appears that few bombs were dropped on the decoy site.

Our next coach trip will be on Wednesday 14th September, to the Black Country Living Museum. This is an opportunity to explore one of the best open-air museums. The 26-acre site includes over 50 reconstructed houses, shops and industrial premises including a coal mine and canal yard to give an insight into 19th century life in this heavily industrialized area. You can step back in time with a trip down the mine, a ride on a tram or a visit to a school. The coach leaves from Keynsham Parish Church, picking up at The Talbot. A few places are still available for non-members so, if you would like to join us, contact Richard

Dyson for details and a booking form, by email at richard.dyson@tiscali.co.uk or by phone on 0117 9864453.

Join us for our next season: The Society's new membership year commences on 1st September, so if you would like to join us for our programme of monthly Monday evening lectures starting on 17th October and the opportunity to participate in a variety of local history activities you can download a form from our website www.keysalthist.org.uk

FRIENDS OF SALTFOUR LIBRARY

After an amusing and informative talk by Clive Brain in the Library in May on the subject of the Fire Boat Pyronaut at Bristol Docks fifteen members were delighted when Clive, as Skipper, took us around the Docks on Tuesday 14 June. After waving a white handkerchief, to find the direction of the wind, the canon shot out water, but we stayed dry! After a Coffee morning in July in a Friends' garden, we shall not meet again until Friday, 2 September. Pick up a Flyer in the Library giving dates and talks until Christmas.

David Millard has arranged a Rota for the next three months for the 18 volunteers to Open the Library on Saturday mornings from 9.30am to 1pm.

We hope the children will use the Library during the school holidays. Cynthia 01225 874259

CELEBRATING 50 YEARS OF MENCAP GATEWAY

Keynsham & District Mencap Society marked 50 years of the National Federation of Gateway Clubs with a huge party at Avon Valley Country Park on Sunday 12th June.

People with a learning disability and their families, staff and volunteers from the Society, as well as guests from other local groups across Bath and Bristol came together to celebrate the wonderful work and achievements of the National Federation of Gateway Clubs over the last 50 years.

The Society were pleased to welcome some valued guests and supporters from the local community including Alan Hale, the new Chair for Bathnes Council, Eveleigh's Estate agents, iTeam Solutions, and members from Keynsham Town Council.

The sun shone as over 300 guests joined together and enjoyed a BBQ, live music, pet's corner, tractor rides and giant play barn. There was even impromptu karaoke from some of the Society's members.

The event was held at the start of learning disability week and this year's theme was very appropriately named 'Friendships'. The Gateway Federation was created in 1966 to provide regular leisure and social opportunities for people with a learning disability, and brought together like minded groups to work together.

Laura Jefferies, Operation's Manager for the Society said 'it was a fantastic event and great to see so many people with and without a learning disability coming together to celebrate this milestone.'

The Society wishes to thank local Sainsbury's, Tesco and Waitrose stores for donating food for the BBQ and to staff at Avon Valley for being incredibly supportive in helping to put on the event.

SALTFORD FOOTBALL CLUB

Wrapping up one season and planning for the next!

The final positions for the two senior Saltford teams show that the First team did indeed finish 5th (only one point behind the 4th place team) while the Reserves finished a very credible 6th – congratulations should go to both teams for their performance. Unfortunately the First Team lost the Knockout Cup Final to Highbridge Town 3 -1 despite putting on a good performance. We may have lost the match but we certainly won the supporters prize far outweighing the Highbridge supporters both in number and volume! So last season should go down as a success for both teams and provides a good base on which to build for next season and beyond.

So what's in store for next season? Keith Speed is stepping up from coaching last season's U18 team to look after the Reserve team while Ben and co will stay with the First team. This will help build ever closer links with the junior club and provide a better defined route into adult football for their players which should be seen as a major step forward and be welcomed as these links between the junior and senior clubs are vital to the long term survival of both clubs. This was recognised at the recent AGMs of the two clubs where it was agreed to merge the two, albeit gradually. This merger will be apparent in the clubs website, meetings, and in these updates.

One thing that will never change is the need for the local football teams to need additional finance to allow them to continue to play competitive football. At present tickets are on sale from players for the senior clubs sponsorship draw for the 2016/17 season. These tickets are available to both individuals and businesses and offer prizes appropriate to either category of winner. For individuals the prizes are £100, £75, or one of three £50 prizes

of meals from a Saltford restaurant. For businesses the prizes are name and logo on first team strip, name and logo on reserve team strip, or one of three promotional banners displayed at all first team home games. More details will be available on the club website but please buy tickets as this income is vital to the senior team survival. If you wish to buy tickets but don't know of any players please contact us through the club website.

If you are able to offer assistance, advice, sponsorship or even if you just want to find more details please visit the website or contact Phil or Nic Saunder on 01225 872541.

KEYNSHAM & SALTFORD WINE CIRCLE

This year (July) is the 45th Anniversary of the Keynsham and Saltford Wine Circle. It began at a time in 1971 when wine was very expensive for most people and it was drunk only on special occasions. Around this time making wine at home became popular and so wine circles came into being. We have had many great social events and outings together with the friends that we have made in other wine circles throughout the region.

The Anniversary was marked by us all having a three course dinner in the Avon Room at Saltford Hall, which is our usual monthly meeting place. It was a delicious meal which was rounded off by our President, Percy Mellor proposing a toast to the Keynsham and Saltford Wine Circle.

The June Meeting was a Beer tasting (we do drink other beverages), given to us by Glen Dawkins of Dawkins Brewery, Timsbury. The brewery has three pubs in its chain of Inns and will be moving to larger premises in Bristol in the near future. Glen's knowledge of brewing and all of its history and developments was impressive and was thoroughly entertaining. He gave tastings of six craft beers, which were all excellent. This was an informative and enjoyable evening. We wish him good luck in his new venture.

There was also a home-made Rose Wine Competition this month. The winner was Betty Haynes. Congratulations!

Nailsea Wine Circle held a barbeque at Failand Village Hall which was attended by wine circles from Bridgewater, Warmley, Keynsham Saltford etc. Unfortunately the weather beat us and we had to have the event in the hall. Nevertheless the food and company were first class as you would expect. Mike and Viv Bolt of Warmley Wine Circle gave us a musical quiz to pass the time whilst an Inter-Circle wine competition was taking place as well. The winner of the wine competition was Warmley. Our thanks go out to the Nailsea Wine Circle for another enjoyable and damp-free barbecue.

Our annual Supper Dance takes place on Friday 12th August in Saltford Hall with music provided by Chris Stone. If you would like to come along please contact 01225 873493. Entrance by ticket only.

Information is now available on the Wine Circle's website by entering google.co.uk and inputting keynsham and saltford wine circle

If you would like more details regarding the Wine Circle, please contact Alan Dummott on 01225 873493.

www.bristolempiredragons.com

On **Saturday 20th August** we will be holding a FREE open day from 10am – 4pm please come and join us to have a go at one of the UK's fastest growing sports. We will be doing team demonstrations, have-a-go sessions and mini races so there will be lots going on.

There will also be a BBQ, cakes and hot and cold drinks available to purchase.

Come along and have a fun family day (or even part of the day) right on your doorstep at the Saltford Rowing Centre. What better way to spend a glorious summer day than out on the water.

We have recently given our local Scouts a taster session and they all seemed to have a really good time, this would be an ideal opportunity for them to have another go! Our junior squad is always on the lookout for new recruits.

In July we raced at St. Neotts in Cambridge and our mixed crew gained a 1st place Trophy for the 3.5k race and a 2nd place trophy for the 250m races. We also have a ladies team known as the 'West Country Beauties' and a junior team (mixed with juniors from another club) known as 'The Sneaky Dragons'. We always welcome new

members of any age or gender. Must be over 12 years of age to race.

KEYNSHAM & DISTRICT TALKING NEWSPAPER

Keynsham & District Talking Newspaper celebrates 1,500th edition

The Chairman of Bath & North East Somerset, Alan Hale, visited the studio of the Keynsham & District Talking Newspaper (on 30th June), to celebrate the 1,500th edition of the service.

Alan commented, "The Keynsham Talking Newspaper has been a part of town life for so long and part of individuals' lives for so many years. I am pleased to be able to help celebrate their massive milestone in their service and I would offer a very big thank you to all of the volunteers involved for the service they provide."

Started in 1983, the service is a free weekly audio magazine on memory stick, sent through the post to almost 100 listeners from Keynsham, Bristol & Bath and surrounding villages.

The oldest listener was 105 in February and the longest-standing listener has been listening for 30 years.

KTN was very pleased that Alan came to celebrate the 1,500th edition and to record an interview for listeners about his most interesting life and his work with B&NES, with the police, and with the Keynsham Food Bank and the Lions.

If you or someone you know is unable to read newsprint, we would be delighted to supply them with the KTN service. If they do not have the means to play memory sticks, we can supply an easy-to-use box to play them on. New listeners are welcomed. Contact: 0117 299 3021.

About the Talking Newspaper

Did you enjoy reading but now experience difficulty due to poor eyesight or blindness? The service is free to people who are unable to read newsprint. Enjoy our local news and our magazine section with wide choice of topics from historic

places, local personalities to recipes and information on changes in national benefits and entitlements.

Local news and listeners come from Keynsham, Bristol & Bath. Including areas such as Bathwick, Brislington Camerton, Chew Magna, Downend, Farmborough, Farrington Gurney, High Littleton, Iron Acton, Paulton, Stockwood, Twerton, West Harptree, Willsbridge & Yate.

SALTFORD BRASS MILL

The Brass Mill is having a successful year having entertained groups from Whitchurch Local History Society, Bradford on Avon U3A, Thornbury History Society and Wessex Cruising Association in addition to visitors on its regular open days. The next big event will be the national Heritage Open Days when the Mill will be open on both the 10th and 11th September from 10am to 4pm.

A big recent success for the volunteers has been the completion of repairs which will, once again, allow operation of the waterwheel - it is nice to have that familiar noise of sloshing water in the background.

THE FILLING STATION

Have you see this sign?

Are you curious?

Would you like to know more?

Well, the Filling Station is not concerned with garages, cars or petrol. It is an opportunity for people to come together to celebrate the reality of Jesus in a relaxed atmosphere in non-church venues where people can meet, chat and enjoy informal worship as well as listen to trusted and inspiring speakers. Sometimes those who come like to share what God is doing in their lives and we love to offer prayer for

healing or anything else. There is no charge for the evening but donations are welcome. Coffee, tea and cakes are always available.

The Filling Station Trust is now an international organisation and since 2009 more than 70 such gatherings have begun both in this country and abroad with over 3,000 people meeting each month. It is not intended to take the place of church but to bring people together across the denominations together with those who would like to explore faith.

The Filling Station in Saltford meets on the first Wednesday of each month in the Bristol Avon Sailing Club in Mead Lane. We warmly invite you to come along on Wednesday 7th September at 7.30pm when Richard Fothergill, Director of the Filling Station Trust, who had the vision for the Filling Stations, will be speaking. You will receive a warm welcome.

SALTFORD VILLAGE CHOIR

We are coming to the end of our summer term after our successful summer concert, "Summer Celebration". It was repeated at Downend Baptist Church, in aid of Fishponds Carers Group, where it was very well received.

Although we are 50 in number due to various circumstances we are short of Sopranos. So if you can reach the top notes we would love to hear from you.

We meet in the Wansdyke Room at Saltford Hall at 7.30 on a Tuesday evening.

Next term begins on 6th September. Please just turn up or ring Julie on 01225 872336

1ST SALT FORD SCOUT GROUP

Chief Scout Bear Grylls made a visit to the Avon County Jamboree which was held over the bank holiday weekend at the South Gloucestershire showground at Westerleigh. Over 4,000 young people and adults attended and enjoyed a fun programme of activities which included rafting, wood-carving, Segway driving, archery, shooting, fishing, canoeing, climbing, birds of prey demonstrations, hovercraft, gliding simulator, and craft (to name but a few!). They all had the opportunity to learn new skills and make new friends.

One of the few lucky youngsters to meet Bear Grylls in person was six-year old James from 1st Saltford Beaver Scout Colony. James was born with unilateral microtia and has hearing difficulties, but was able to converse with the Chief in sign language after his jamboree neckerchief had been autographed. James' mother Helen said, "James was thrilled to meet the Chief Scout, and used the Makaton sign for 'thank-you', which Bear obviously understood and signed back to him."

The popularity of Scouting has resulted in sustained growth over the past ten years throughout the UK. It is led by volunteers and provides an inclusive programme of fun, challenge and adventure for young people of all ages and abilities from 6 to 25 years.

SALT FORD EVENING WI

To celebrate the Queen's birthday, everyone dressed in red, white and blue. A very colourful show! We then participated in a glass of bubbly together with a 'fancy' cake. In spite of the celebration, we also listened to a very interesting talk, based on anecdotes occurring at a nearby, well known, garden centre. Choosing geraniums in early summer will certainly bring back many an amusing tale by our Speaker, who had spent practically all his working life at this particular centre.

Our coach trip to the Silk Mill was very successful and the weather was kind to us.

One of our long-standing members is sadly leaving us this month and moving away to Kent. Lilian started the Friday afternoon skittles which proved very successful and she will be much missed. We all hope she will settle well in her new home and good luck to the two new ladies who will continue to arrange and run the Skittles Group.

It has been decided to hold our Summer Evening Garden Fete inside rather than chance getting wet, or blown away, during August.

1st Saltford Scout Group Needs YOU!!

We have a number of small maintenance jobs and garden work such as lawn mowing in need of regular attention. This might suit a retired person or even a small team of you who might like to get together once or twice a month for a tea/coffee at our premises and carry out any of the small jobs we may need doing. This system of volunteering is currently working well with Keynsham Scouts so we thought we would try and do something similar in Saltford. Their team meet regularly and really enjoy helping the scouts and keeping themselves occupied at the same time.

Please contact us if this is something you would like to be involved with

Some members of our club are looking forward to the BBQ being held in the interesting garden of two players next week. (Or a few weeks ago by the time you see this) We have been asked to bring any special offerings we might enjoy. So **Chicken drumsticks with ginger barbeque sauce (recipe by Sainsburys magazine)** will be on offer.

A friendly match against a club from Kewstoke has been arranged for the beginning of August

We are currently in our quiet period at Saltford, having finished all our League matches some time ago now. Our teams finished in the bottom half of the league table but we do hope to improve next season! However, the End of Season Tournament and lunch (a good way to get players to attend the AGM) was hosted at Saltford this year. The team which ended at the top of the table, not surprisingly, won the Gold Parker pens (more useful than a medal) and I am delighted to report that Saltford Scallywags were runners up and received the silver pens.

We have to register our two teams by the end of July to participate next season.

Short Mat Bowling is a pleasant, leisurely keep fit exercise. In the course of one game players push weights, stroll from one end of the mat and back again, and bend quite a few times (to bowl)!

Crier!

Plans for Saltford Festival 2017 are at an early stage. Now is the time to offer ideas and to volunteer help.

The planners will be making decisions as soon as possible as 'talent' of all descriptions is in great demand!

Should there be a Dog Show? The very recent acquisition of 5 new dogs, within a hundred yards of my house in The High Street, seems to indicate that there should be!

Which topics will be chosen for the talks, where the walks will lead, who will explain history, and geology, how the exhibitions, competitions and proclamations will be decided upon or where we eat and what we wear are just some of the issues up for discussion.

Tried and tested events will be included but there will be spaces for new ventures and new organisers.

DONATION APPEAL UPDATE

Over the last 9 months we have been encouraging you to support financially the continued availability to walkers, runners and horse riders of the 4.5km of permissive paths to the west and south of Salford. Since launching this year's appeal in December 2015 we have now raised (including Gift Aid) nearly £2100 towards our target of £3000. A huge thank you to those who have already donated.

In order for the permissive paths to remain open next year and beyond, the SCA needs specific donations to raise £3000 and we are delighted that we are already 2/3rds of the way there this year. It needs just another 30 people to donate an average of £25, plus Gift Aid, to reach our target. This is a small price to pay for continuing to enjoy over 4.5km of footpaths.

Without regular, annual donations from residents to cover the costs, the SCA will not be able to keep these paths open and it is highly likely that once closed they will remain closed for ever as the land will be planted with crops.

If you regularly use any of these paths and wish to donate and don't still have your donation envelope, then please either pick one up from the foyer of the Hall or go to our website where a specific section can be found at http://www.salfordhall.co.uk/Permissive_paths.html. This page provides a link to a downloadable Gift Aid form and details of how to make a donation including via Paypal. It also allows you to specifically indicate how you wish your donation to be used. We will provide a further update in the next SCAN.

OTHER NEWS

SCA AND SEG TO PRODUCE SALTFOORD 2017 CALENDAR - WANT TO CONTRIBUTE YOUR PHOTOGRAPHS?

SEG and Salford Community Association (SCA) have agreed to produce the 2017 calendar of Salford as a joint venture. SCA produced the 2016 calendar at last year's Salford Festival; the new venture is to seek to produce a 2017 calendar celebrating what's great about Salford whilst utilising the photographic skills of our residents, from the youngest to the oldest.

Net profits from the sale of the calendar will benefit SCA and SEG funds. If this proves successful we hope to make this a regular annual feature timed for the festival and/or for the Christmas season.

SEG uses a lot of photographs for its website and will make available suitable stock photographs for the calendar. Members of SEG who are handy with a digital camera and who wish to support this project should get in touch with SEG's Chairman, Phil Harding (email to phil@philharding.net), so that we can establish a Salford photographer's list.

We shall be asking for contributions to the calendar in due course (photographs for the 2017 calendar required by the end of September) but if you have any now that you think would be suitable do send them to Phil.

Photographs need to be landscape in shape with the same proportions (ratio) of a 6" x 4" photograph (we can crop if necessary) for the calendar although we do also use portrait shape photographs for website use. They should be submitted as jpeg files and the resolution should be 300 pixels per inch or higher - if you're not sure, don't worry just send them in or contact Phil.

Great shots taken in all seasons (this year or in past years) of interesting views, attractive buildings and local landscapes are what we seek. All photographs published on SEG's or SCA's website or the Salford calendar will name the photographer (unless the photographer wishes to remain anonymous) and the copyright will rest with SEG and/or SCA.

So, get taking those photographs in and around Salford and build up your own portfolio. If your son or daughter is interested in photographic art or likes photographing the local landscape, wildlife and interesting buildings, do encourage them to get involved.

You're never too young or too old to be a published photographer!

Come on - Be a Local Hero – talk to us about joining our School Crossing Patrol Team

If you love working outdoors, enjoy helping and meeting people, a job as a lollipop person could be exactly what you're looking for.

Have a look at our film which explains what it's all about through a child's eye.

www.bathnes.gov.uk/services/jobs/recruitment-spotlight/school-crossing-patrol

The job suits people who can:

- Be friendly but assertive if necessary when dealing with people
- Work reliably at the beginning and end of the day
- Work on their own using their own initiative

It also helps to be reasonably physically fit, walking, standing for over an hour and holding a sign weighing 2 kilos are part of the job. It could be an ideal opportunity to improve your fitness if you are interested in doing that.

It's definitely a challenge but our team find it really rewarding and so could you.

We want to hear from people of all backgrounds and at different times in their lives – don't worry if you haven't done anything like this before interest and enthusiasm goes a long way.

Why not give us a call to have a chat? Or if you prefer email.

Contact: Beryl Miles Tel: 01225 394922,

Email: Beryl_Miles@bathnes.gov.uk

If you have to leave a message don't worry we will pick this up promptly and come back to you.

The following schools need permanent staff

- Bathampton Primary
- Paulton Juniors
- St Nicholas Primary
- St Stephen's Primary
- Westfield Primary

If you don't want a chat but are interested enough you can apply for a role at any of those schools via our Job Website - Permanent School Crossing Patrol Vacancy

In addition to permanent positions, we need casual staff across Bath & North East Somerset, If that's something that interests you and if you have a few hours per week you want to fill you can apply via this link - Casual School Crossing Patrol

So why not give it a try? Britain had its first ever Lollipop lady in Bath when one Mrs Hunt was appointed by Bath City Corporation on September 21 1937.

You could be part of our history in keeping children safe.

The fourth SANTA DASH is to take place on Sunday 4 December 2016. The Dash will, as before, start at Salford Sports Club ground and comprise of 2 separate runs.

At 10.00 am the 'Mini Santa Dash' will take place on a course set out at the sports ground where children 11 years and under can participate in a run of up to 1 mile. Followed at 11.00 am by the adult event for 12 years and older, this is 5 miles on the roads around Salford and into Keynsham returning to the starting point at the sports ground. This year's proceeds will be supporting youngster in the immediate area who live with autism.

War Memorial

The Parish Council has agreed to a proposal from Cllr Chris Warren that, with the 100 year commemoration of the end of hostilities of WW1 approaching, the Parish Council explores ways of enhancing the War Memorial. Suggestions include subtle illumination and wrought iron railings with 'Lest We Forget' incorporated in the design.

Annual Neighbourhood Watch meeting 5 October 2016

Being in a Neighbourhood Watch has many benefits - helping to reduce crime and the fear of crime, lowering insurance rates, and meeting neighbours. Salford Parish Council wishes to encourage more NW schemes in Salford, big or small, even covering a single Street or Close. Come and find out more about NW at a **public meeting on Wednesday 5th October from 7-8pm at Salford Hall** (Please look on the Parish Council website for any late change of date). The meeting, hosted by the Parish Council with the neighbourhood policing team, is an open meeting where any resident can ask the police team questions and hear about crime rates and crime prevention in Salford, and existing NW co-ordinators can meet and share ideas or concerns.

PC Sam Kayser and Cllr Duncan Hounsell

Grants for local groups

The Parish Council sets aside a small amount of money each year for financial assistance grants that local groups can apply for to support an initiative or development that would benefit the residents of Salford. Contact us or download an **Application for Financial Assistance** form from our website **Council Responsibilities** page to apply for a grant for your group. Applications need to be received by the Clerk one week prior to the date of a meeting in order for the application to be considered at that meeting. Applicants will be asked to attend the meeting at which their grant application will be considered, to briefly present the reasons for their application and answer any questions councillors may have. The Parish Council next meets on 6 September 2016.

Overhanging vegetation

Trees and hedges that overhang the highway or pavement are the responsibility of the land owner. Please consider pedestrians especially anyone with poor vision or pushing a buggy, and keep your vegetation cut back to allow clear passage.

We are a warm- hearted bible believing Church and would be pleased to welcome you at any of the following meetings.

SUNDAY SERVICES

11 am - Family Service for all age groups. We believe church should be enjoyed **NOT** endured.

Junior Church (ages 3 upwards) including a variety of bible based crafts & stories.

6.00 pm - Teaching Ministry open for anyone to attend who want a slightly more serious study of the bible.

We believe in what traditional Christianity has always stood for, and our services are informal, friendly, and informative. We do not offer religion, but we present the real Jesus Christ without ritual or money getting in the way. You are our guests and it is an absolute privilege to welcome you to our warm and friendly fellowship. Both services are followed by refreshments.

(Crèche facilities available during both services).

Other weekly meetings include:

MONDAY - FOOD FOR THOUGHT

1st Monday of the month

12:30pm - 1:30pm - Lunch club run by members offering a variety of soups, cakes and fresh coffee or tea, aimed at those retired or any adults (50+) who wish to get out for friendly

conversation over lunch, including a 5 minute thought from the Bible.

3rd MONDAY OF THE MONTH: CRAFT and COFFEE MORNING

10:30am – 11:30am. Catering for the over 50's, come and join us for tea, fresh coffee and biscuits, with the opportunity to complete a small craft.

TUESDAY - TODDLERS and SALTORD UNDER 3'S

9.30am - 11.30am - Mums and dads, grandparents and child minders - why not join us for a cup of tea or coffee while your children play in a safe and friendly environment.

WEDNESDAY -

PRAYER MEETING & BIBLE STUDY at 8pm

A more in depth study of the bible and related matters, including vibrant discussion and practical application. We firmly believe that prayer works and unashamedly pray for our community, family and friends.

FRIDAY - ROCKET KIDZ

6:00-7:00pm

Aimed at 3-9 yr olds, it is a night of fun and games and singing followed by snacks while hearing a Bible story. So come along and start collecting your points for prizes.

We may not know you, but God does. He knows where you are in life and what concerns you have, and it is He who wants to reach out to you. He knows about the dark days as well as the good days. He knows of the days of joy and laughter as well as the days of despair. We encourage you to give Church a go, and see what happens. Jesus identifies Himself as the Good Shepherd who cares for people like us, and actually proved it by living and dying in our place to make a way back to God again.

**When I consider Your heavens, the work of Your fingers,
The moon and the stars, which You have ordained,
What is man that You are mindful of him,
And the son of man that You visit him?
For You have made him a little lower than the angels,
And You have crowned him with glory and honour.
O Lord, our Lord,
How excellent is Your name in all the earth!
(Ps 8:3-5,9)**

Dear Friends

Christian Aid Week

Thank-you to everyone who helped organise, knock on doors, count money and donated at this year's Christian Aid Week house-to-house collection. It was a great corporate event – very many people had a part in it and I am sincerely grateful!

The money raised nationally from the house-to-house collection has been going down over the last few years so that it makes up less of the overall amount raised in Christian Aid Week than it once did. It is, however, still an important fundraiser for the organisation and Christian Aid is very grateful to our three communities for raising £3290.85. Many of our donors will have included Gift-Aid, for which I also thank-you and will have increased our donation.

Christian Aid Week donations go to the charity's 'unrestricted' funds, which will include the cost of running the organisation. Another way of giving to Christian Aid is to donate to a specific project (known as 'restricted funds'). Our annual Soup & Cheese lunch is one such event which is raising money for a project in Ethiopia. Ethiopia has some of the world's highest rates of maternal, neonatal & child mortality – this project is seeking to increase women's general education and knowledge of and access to contraception, so improving child & maternal health and boosting the economic prospects of the whole community. The project will be matched £1:£4 by the European Union (still guaranteed after 23rd June 2016). We would seek your support – if anyone has any ideas for fund-raising, please get in touch. Once again – THANK-YOU! In the Autumn we hope to have a speaker join us at one of our services to share with us the work of Christian Aid - watch out for the date and do come along.

Looking ahead to the Autumn

Ever thought of finding out more about the Christian faith, then why not join our Pilgrim Course. The Pilgrim Course offers a relaxed atmosphere and environment in which to ask questions about faith issues - everyone is welcome, for more information please get in touch.

St Mary's will be holding their Harvest Service on **Sunday 9th October 2016 at 9.30am**. Our service will be led by children from Salford School - do come and join us.

Last year we held a special service in St Mary's to remember loved ones who had died. We will be holding another service this October but it will be in **All Saints Corston on Sunday 23rd October 2016 at 6.30pm**, all are welcome to join us as we light candles in memory of our loved ones who have died.

Blessings, Daile
